SEXUAL ETIQUETTE

is it in the book?

There's something we've learned from some of the letters we've received: We've recounted a conversation from a couple engaged in trying the positions in the world famous Kama Sutra. Until it came to the "crawling monkey."

Hey Jack, I'm reading the Kama Sutra. My mother gave me a copy and it's all about different positions for having sex.

Hey Joanne, that's really cool. I saw a copy of it when I was in college. They have some pretty cool names for them, huh?

They sure do – like "the congress of the cow" and "the Indian headstand."

Yes, those are cool, but my favorite is "the crawling monkey."

Hey Jack, is this how it's supposed to look,... sucking your cock? This just seems like the typical blow job I always give you.

That's right Joanne, this is the correct way to do it. If you just suck it for a bit, I'm sure the monkey will show up.

Are you going to lick my pussy after I finish blowing you?

That's right Joanne, your pussy is just the foundation of path to "the crawling monkey."

Do I have to take off all my clothes to meet the monkey? Can I leave my panties on?

No, they have to come off. Panties act like monkey repellent and that is not what this monkey wants to see. He's a very horny and crawling monkey.

Oh Jack, you're making this monkey stuff up. There's nothing like any of that in the book.

Jack, we've been fucking for more than two hours and tried almost all of the Kama Sutra positions, but there's been no "crawling monkey." I think you've been leading me on.

Joanne, the path to "the crawling monkey" is a long one. Why,

in college when I first learned it, it took five hours for it to happen. And when it did, it was pure Nirvana.

Okay Jack, I'll believe you but let me get on top for a while. I really liked the "crouching dragon / standing tiger" position we just did.

Yeah, that was nice, but following it with the "lazy, lying ass" was a bit of a downer. Don't ya think?

Well, if you hadn't tried to the "big dick in butt hole" move I wouldn't have done the "lazy,

lying ass" now would I.

Okay Joanne, take this cock in your mouth so we can enjoy some quiet.

Jack, I've never heard of "the crawling monkey" and it's not in the book.

Then I guess I'll have to show you how to do it. Are you game?

Jack, when is "the crawling monkey" going to happen. My pussy's getting stretched and sore,

Not to worry Joanne; the monkey will show up shortly. He has long way to crawl.

Say Jack, I have figured out how a lot of the positions we did got their names, but I've been trying to visualize "the crawling monkey." Can you give me an idea of what it's supposed to look like?

I really shouldn't until it get's here. When it cums, you'll realize what it was.

I think Jack is pulling my leg. If any of you guys know what "the crawling monkey" sex position is, drop us a line.

I let myself explore my thoughts, looking for those sexual images which send a shock of adrenaline through my wanting body – keeping my pussy swollen and turned on. I closed my eyes and my thoughts would get carried away. If only there were two strong, willing men who would pin me down on the bed and put their erections inside me. I probably shouldn't do these things."

having a good life. are you?

Where I grew up, when you were old enough to get a job, you went to work and helped pay the bills. As it turned out, my very first job would be my last for a long time. It's back about eight years when I had to first do this. I got a job where I would do office chores and clean the gym and locker rooms at a summer recreation center. It didn't pay much but it was fun to see all the mom's bring in their kids to play ball, and all the teens that played there, too.

This guy named Dennis ran the place like playing a tight ship. He was the master of money and left the running of the center to his wife and a capable staff. They worked hard and often played hard. Dennis hung out in the office most of the time. There were basketball posters of Michael and LeBron all over the walls. He would tell stories of who and how many managed their way to the colleges and pros. Dennis always paid me on time which is all I cared about but truth be told I would have rather gone to bed with him than any of the drooling boys lingering around the locker room. One day I was helping out at the front desk when 'he' walked in. I asked if I could help and he said he wanted to register his friend in the adult. I said 'sure' and took his information. His friend was from France and spoke spotty English so he was going to help him register.

He asked if there was practice on Friday or Saturday because that's when his friend, Jean-Jacques had time. I said there was no adult practice on Friday, but there was practice in the 18 and up league then. He agreed, introduced himself as Peter and we set up his friend's schedule and he paid for the first month.

The first Friday rolls around and Peter and Jean-Jacques are in fifteen minutes early. I'm cleaning the waiting area and he comes to sit. I'm a little embarrassed to be seen in a tank top, jeans and a broom, but he smiled and said "Hello." to me. I said hello back and said my name was Chloe. "Hello Chloe." he said and added how nice I was in helping him at registration. I politely smiled and kept working. Ten minutes later he stepped outside to take a call and

saw me emptying the trash around the entrance.

Leaning back on the wall, he tells me that he likes a hard working woman, but if he had one like me, he wouldn't have her working at all. I didn't know what to say and just kept at it. He made some other small talk and I'd stop briefly to listen or answer. Eight o'clock comes around and his friend comes out to the car. As he passed me he says, "See you tomorrow."

and I blurt out that I don't work on Saturdays. "Well then, next Friday, then." he says. I mumble okay and kept working.

Next Friday comes and then the month is up. Peter registers Jean-Jacques for another two months and we've become kinda friends. Easy talking and easy listening. One Friday night he asks me if I'd have lunch

with him on Monday. I hesitated, but agreed since it was only lunch. I had never been out with a man in his forties before, but he seemed cool and I didn't feel like the twenty-year-old that I was at the time.

Well, as you can assume, just because I'm writing a letter to this magazine, that things got progressively hotter. Three months after meeting we were fucking, but not just fucking, he was wining and dining me. I was late for work a few times and Dennis asked me what was going on. I said nothing, but two days later I came into the rec center and quit.

"Why?" asked Dennis, inquisitive and irritated. I told I met someone and was done with the rec center. The next two months were a blur for me Peter and I traveled and dined in exclusive restaurants. I was a princess and he was my prince in a love story that felt like it should have lasted a lifetime. Of course, there was the time I came back to the apartment and was surprised when I saw him butt-ass naked with his dick hanging out! When I got inside, I was all horny from seeing him naked so I started rubbing his cock

and jumped on top of him.

He dropped me on the bed and within minutes I was stripped naked and laying on the bed. He straddles me and moves up my body and puts his rock hard cock up to my mouth. I grab it and push it up an his belly making his balls the target of my tongue. I lick them front to back, pull his cock down and lick the entire length of his shaft. I nibble at the tip of his cock and purposely ignore taking his cock into my mouth. My tongue teasing has made him even harder and more horny.

Finally, he says he can't take any more teasing and I relent, taking his cock all the way in on the first try. We've had so much sex since we've been together that I've become very good at giving head. Besides, he's not all that big and I kinda like it. I can take him all in without gagging. I suck him for another few minutes before he gets off me and puts me on my knees and enters me from behind.

I lower my upper body so he can get in deeper and he does. He leans over grabbing both shoulders and pulls me harder onto his cock. Then he reached under me and with one hand finds my breasts and rubs them and with the other, he plays with my clit. I'm just enjoying him and feel him building up to a climax. I push my butt back to his pelvis and grind into it. I reach between our legs and grab his balls and work my finger into his butt hole. He blows his load, I cum too, and he collapses on top of me.

Afterwards, I make him dinner, he makes me laugh, I give him my body, he gives me a life I never had.

– Chloe, formerly of trash-ville

do it right, dammit

Pamela had her new boyfriend over to the house the other night. They've been together for about a month but she insists they're not dating. Okay, I'll buy that but when she tells me that he's really interested in her, what am I to think. Pamela tells me he hasn't been

I'm just enjoying him and feel him building up to a climax. I push my butt back to his pelvis and grind into it.

I moan. I feel her push into me a little and her lips snuggle in around my clit and she begins to lightly suck it.

getting "A's" in the bedroom lately, especially when he went down south on her. Now, every girl needs a good licking and if a guy's going to do it, do it right, dammit.

How do I know? I'm her roommate, and in this case, her confidant. She and I talked about it for a while last night and came up with a simple plan. Next time he's over, Pamela will take him into her bedroom and I would already be there. She would make him sit on the corner of the bed and watch me eat her out.

had only been licked once before, about two months ago and admittedly, I liked it. I gave out a couple little moans, closed my eyes, and lost myself in her tongue for a minute. She rolls it around my labia and then pokes through them and finds my clit. I moan. I feel her push into me a little and her lips snuggle in around my clit and she begins to lightly suck it.

Suddenly, Pamela yelps and smashes her chin on my pussy. I open my eyes and look over the top of her head

While I was cautious about how it would go down, it now started to go down. We came into the bedroom together and there she was, waiting for us. There she explained to him the trouble in bed, and offered to show him how it should be done. She and I took off our bottoms, and flipped a coin to see who would eat and who would be eaten. Pamela won and laid back on her elbows and spread her legs. I got between them and licked her pussy – the right way. She was loving it, but right in the middle, the boyfriend asked if we would switch positions so he could see better.

I stopped in the middle, looked over at him, rolled my eyes and said okay. Pamela got up and I laid back and spread my legs. She moves in and starts licking. I

to see her man had gotten behind her and jammed his cock in her wet pussy. She grabbed hold of my hips as he pounded into her. I looked at him wanting to say he overstepped his welcome, but when Pamela's mouth went back to licking and sucking me, I let it go.

This threeway lovefest went on for more than fifteen minutes and, just as suddenly, unexpectedly, we all came at the same time. Wow! He pulled out of her, she raised up, and I just lay there. Pamela sits next to me on the bed and says that was worth an "A+". We all laughed and played around a little, but she wouldn't let him fuck me. That was okay. We had fun.

Ass lickers, unite! Yes, it's time for us who love rimming to put our money where our tongues are. It's not that taboo anymore to spend some time on someone's behind. If you've ever been touched or licked back there, then you know the sensations can be out of this world. It's not like anal sex at all. It's a soft and mild sensation that makes you close your eyes and focus on it's sensual effect.

We couldn't wait for this sizzling Czech beauty to strip down and reveal her perfect firm breasts and a perfect taught ass. Jana took a dip in the pool while we waited for the crew to set up but Jana is so hot, the waters didn't have a chance to cool her down. She got out and down on her knees with her ass in the air. Needless to say, it took the crew a couple long hours to set up the shots.

I've never been one to let an opportunity slip away

wild expectations

lucky me, again

my ex-wife just turned forty a few weeks ago but we had lost our sexual passion several years ago and got divorced, but our kids have kept us together. And those same kids have been the source of good times and great times. Our nineteen year old daughter, Carynn, was home for her summer vacation from college. So was our neighbor's daughter, Sara, and their BFF Norrie. The three went to the same college and were also best of friends having grown up together.

Tonight Sara and Norrie were sleeping over, something the two of them do often. Once at our house, the next at Sara's, and then Norrie's. Personally, I don't think they're gay with each other, but I choose not to ask. We had a nice dinner and now, unable to sleep, about midnight, I came downstairs to clean up. As I was putting a half-empty bottle of wine back into the fridge, Sara walked in with some of the juice glasses the girls had used earlier. Putting them into the sink and saying hello to me, she took another glass and poured some wine into it. "Sara, isn't it kinda late for that?" I asked her.

Sara was hot. At five foot five inches, this twenty-year-old had dyed her dark hair lighter and her pearly white skin glowed in the low kitchen light. Her breasts were full enough and I found myself staring.

"This glass is for you," Sara replied.

"I've had too much already tonight. That's probably why I can't sleep." I told her.

"I know, I couldn't sleep either, Norrie is out like a light," she said. "Barry, I've been wanting to ask you some things, so are you drunk enough to answer my questions truthfully?" she asked.

"Just don't ask something you really don't want to know the truth about." I said.

"Have you and Norrie gotten together?" she asked without hesitation.

"Do you mean, have we fucked? No but, OK, I kissed her. But you can't tell anyone. I could get in a lot of trouble."

"I know she wants you. Even though she hasn't come right out and said it to me, I know Norrie and I know she would like you to fuck her." Sara said. "She's been frustrated ever since her boyfriend split with her and she'll stay frustrated rather than confess she's interested in having sex again," she confessed. "Take another drink, Barry. Drink up."

As a freshly poured glass touched my lips, I saw Sara tip the bottle up for a quick sip. I gulped mine down. "Are you joining me now?" She poured me another. "I think you're way ahead of me."

"OK, I think I'll probably tell you the truth now. What do you really want to know?" I asked.

"What did you do with Norrie?" Sara asked again.

"It's a secret," I whispered. Sara stepped up close to me and put her mouth next to my ear. "

What's a secret?" she whispered back.

"That I fucked her, but she made me promise not to tell anyone, especially you. I wasn't supposed to tell." I mumbled. "Oh well. You won't tell will you?"

"Did you enjoy it Barry? Did you enjoy fucking my best friend, you asshole?" she asked with a tone of anger in her voice. But I let the anger just slide on over me.

"Oh yes, she was... wonderful. Yes I did enjoy it. You know, she wants to wake up with me in bed with her, so we can enjoy each other again. Do you think I should? Would you mind if I fucked her again?"

With her voice back down to a whisper and her mouth next to my ear she says. "We'll talk about that later."

Sara's fingers started roaming across my arms and it began to have an effect on me. I was starting to get turned on by it all. Her other hand was gently rubbing across my stomach in small little circles.

"So what do you think about fucking roommates?" she asked, as she let her fingers glide down across my limp member, urging it into new life.

"We could fix that, but only if you don't tell anybody." I offered. She took another quick drink of wine from the bottle, grabbed my hand and dragged me along. Without trying to be quiet she opened the guest bedroom door and pulled me in, shutting the door behind us. "Norrie is in here," I said.

"She always takes a sleeping pill. Add in the wine from earlier tonight and she'll be asleep all night long. Now get off what little clothes you have left and get in bed." Sara demanded. I couldn't believe what I was hearing from this little sexpot. Being too

drunk to protest too much, I did as she directed and got on my back next to her sleeping roomie. Sara threw off the covers and knelt between my legs and took my semi-hard shaft into her mouth. I

t only took me a few seconds to realize Sara was no slouch at this. As she sucked my dick, she slid her tongue up and down the underside of my shaft. Sometimes she would scrape her teeth from top to bottom and back, ending with a hard suck on the head of my penis while she stroked me with her hand. It wasn't too many minutes before I realized that she was intending on taking me all the way like this. "If you keep this up and I won't be able to hold it." I said.

Pulling off long enough to talk she said, "I don't want you to hold it. Just let it cum Barry." She began to deep throat me to the point of no return. I grabbed her head with my hands and held her down on me. I only gave her three bursts but it felt wonderful.

I could only imagine what it would be like if I had a full load of cum to give her. I let her head go free. That was incredible. She sat up and smiled at me, wiping off some cum that oozed out of her mouth.

"Your turn," she said as she swapped places with me.

She was beautiful naked. I leaned down and kissed Sara on the mouth. I could taste the salty-sweet flavor of my cum mixed in with the wine smell, even more so when Sara pushed her tongue across my lower lip. I sucked on it as she toyed with me, moving her tongue in and out of my mouth in a mock fucking manner. Kissing my way down her neck and chest, I made my way to her breasts. Her nipples were firm but not hard yet. I would see they got that way later when I fucked her.

Moving downward, my kisses came to her silky patch. As I licked and kissed all around her pussy, I stroked the insides of her thighs with my fingernails. I wet my middle finger and

without stopping my licking of her pussy, slipped my finger into her hole. She was wet and didn't need anything extra from me. Curling my finger up and back, I massaged the inside of her vagina for a couple of minutes. She continued to moan and plead for more. I took two fingers and began to push it in and out, just like I was fucking her. She had her hands all over me while she rocked her hips in time with my hand movements.

"I'm cumming," she exclaimed, arching her back as her orgasm swept over her. I halted my hand motions and pulled my fingers out of her pussy. But a moment later I replaced it with my hard shaft. Sara muffled her yell as I entered her pussy and pounded her hard for several minutes. Nearly out of breath, I leaned down so that my body rested on her chest, rocking my hips as fast as I could. Sara gripped my arms with her hands as I brought her to another climax just in time for my own. After catching our breath, I slid out and rolled onto my back, now caught between her and her sleeping friend.

I must have fallen asleep as I don't remember anything else until I woke up on my right side, curled up behind Norrie. I turned my head and saw that Sara was snuggled up against my back, sound asleep. I truly was caught between two beautiful females. It was kind of a turn on and my body responded. I slipped my hand underneath Norrie's t-shirt and began to gently massage her breasts. I rotated my hips, gently guiding my erection between her legs. Still asleep, she rolled slightly away from me, more onto her stomach. I took this opportunity and rolled with her onto my knees, spreading her legs apart. I reached around her and with one hand pulled her panties down while the other guided my cock into her pussy. It only took a couple of thrusts to wake her up. I guess the sleeping pills and wine had worn off.

She was still tipped slightly to one side so she didn't notice her nude sleeping roomie in bed with us. "So

you came," she said, sounding pleasantly surprised. "Not yet," I replied jokingly, "but soon." While I fucked her from behind, I reached around and stroked her clit. I kept this up for a few minutes. "Oh Barry, fuck me baby, fuck me hard." And I did.

"You are so fucking hot. I can't think of anything I would rather do than fuck you. Well except maybe one thing," I whispered.

"What would you rather do than fuck me?" she cooed.

"Fuck you with Sara in bed with us. Turn to your right," I directed her, not slowing down my thrusting.

"I'm cumming. Pound me, you son-of-a-bitch," she said. I took both hands and grabbed her hips tight. As I thrust forward, I pulled her back into me, my stomach pounding hard against her ass cheeks. When I felt her pussy walls grip down on me, I pushed in hard one last time and delivered a full load of cum somewhere deep in her pussy.

I don't know when Sara woke up but she was staring at us. She got up, grabbed her panties off the floor and left, shutting the door behind her. "She saw us. Wasn't she asleep when you came in?" asked Norrie.

"Yes, she was." I lied. "I tried not to wake her but you are just too much for me to be quiet like that. Sara told me last night that you and Jake have split. All I have to say is that man was a fool to let someone like you out of his bed." I added.

"Oh, you're so nice," Norrie said and followed by kissing me on the mouth. I grabbed my pajama bottoms and headed downstairs to get dressed. I then cooked up a big breakfast for everyone before the day got any older. Now please don't be judgemental. I'm sure any man who's been without their spouse for years and thrust into a scene like this would most probably do the same thing. And if not, they would just dream about it.

Monique and Melanie are two fun blondes. And we mean a whole lotta fun. They are past cute, past horny and waaaaay past sexy. For these two, it's pussy licking pantemonium, with lots of added bed toys to take over where their tongues and fingers left off. And we're there to film it, and you're here to see all the fun stuff!

You know, no one has ever asked me about my cute little ass, but I know they all talk about it. As long as I can remember, I've had a pretty round rump.

It filled out a pair of pants nicely. But naked, it's really very nice. Even I think so.

But no one has ever been in there - yet. I haven't decided if or when or to who I want to give it up. For now, it's just me and my finger vibrator that have access!
